Community Confession	We are God's people, called from the world, and sent to the world as Christ's disciples. Let us be worshipers, giving all glory to God. Let us share the Gospel diligently with our neighbors. Let us strive to become healthy members who share fellowship together as one body. Let us be servants, demonstrating love without reservation. Through training and discipline, let us become mature believers who follow Christ. Through all this, may our community be filled with life and the Holy Spirit, and be pleasing to God.	
Benediction	Pastor Ezra JungHo Oh
